

Confidentiality Agreement

Janssen-Cilag will be disclosing information to you concerning the clinical trial CON-EMEA-01.

Due to the confidential proprietary nature of these disclosure all such information disclosed to you must be kept confidential. Janssen-Cilag therefore requests that you will preserve the confidentiality of such information.

Although this merely formalises the manner in which you would treat this information, please indicate your agreement by executing and returning the duplicate of this letter.

Yours Sincerely
Janssen-Cilag AB
Medical Department

Ewa Hede
Clinical Trial Manager

By acceptance of this proposal, I agree that all information, data and materials received by myself from Janssen-Cilag AB in connection with the clinical trial (see above) shall be considered proprietary to Janssen-Cilag AB and of a highly confidential nature. I further agree that none of said information, data or material shall be either directly or indirectly disclosed to any third party, or otherwise made use of without the prior written consent of Janssen-Cilag AB.

Agreed:.....
